Updated Medical Policy

We would like to inform you that our medical policy has been updated, outlined below. The key change is that if a student is sent home with fever, diarrhea, or vomiting, the student may not return to school the next day. Thank you for your support in keeping the school a healthier place for all.

Sickness

The medical attention of a student is the responsibility of the parent. Students should not be sent to school if they have bad colds, bad cough, fever (above 99°F/37.7°C), nausea, or have vomited in the past 24 hours. Keeping a sick child at home keeps the school a healthier place to learn.

Your child will be sent home from school for any of the following reasons:

- Temperature of 99°F (37.7°C) or above
- Vomiting (throwing up)
- Discolored nasal discharge
- If the student is too ill or uncomfortable to adequately function in a classroom setting
- Frequent diarrhea
- Suspected contagious illness, rash, spots or blisters
- Potential concussion

Sick students will be sent home after parents or emergency contacts have been notified. Parents will be asked to pick up their sick child as soon as they can, preferably within an hour after the phone call. Sick students will not be sent home on a regular school bus. All ECC and ES students must be picked up by a parent or guardian. A child will not be sent home without first contacting a parent. MS and HS students may go home in a taxi or other transportation with permission by parent. If parents are not reachable, the emergency contact needs to be notified. If a student is sent home due to illness, they may not return to school the same day.

Students may return to school:

- Nasal discharge or phlegm is clear
- No fever for 24 hours (no medication to reduce fever for 24 hours)
- Has not vomited or had diarrhea for 24 hours (if sent home with fever, diarrhea, or vomiting the student may not return to school the next day)
- In the case of a contagious disease, return to school will be determined on a case-by-case basis

If a child is recovering from an illness or injury and is required to stay indoors during recess or physical education, a written note from home must be sent with the child to the child's teacher. The school nurse will also receive a copy of this note.

Cinderella's Glass Slipper

We are excited to announce that YHIS will produce its 2nd annual musical, *Cinderella's Glass Slipper*, on April 12 and 13, at 19:00, in the YHIS Theater/Large Auditorium. This American musical, based on the popular fairy tale, includes a comical script by Vera Morris and a tuneful score by Bill Francoeur. It features 49 students from YHIS and YIA playing leading and supporting roles.

The YHIS community is invited to join us for what is sure to be a memorable performance by our drama students.

Elementary students will have a chance to watch the musical on Friday, April 12, at 2:00 pm. Evening performances are free for students, and tickets for staff and the general public are available at 40 RMB through the QR code by Thursday, April 11, or at the door. If you purchase tickets, you will receive your tickets as you enter the campus. Cast members will receive two free tickets.

Come support our hard working theater kids in an entertaining evening!

Secondary News

Updated Phone Policy

If a student is found using a cell phone at school or during class without any permission, the phone will be kept in the secondary office (Mr. Holden) and returned to the student the next day after school. If the violation occurs on a Friday, the school will check with the parents on how to proceed as it could be a safety issue for the child if the phone is kept over the weekend. Secondary office will inform the parent about this via email, and on Fridays, the MAC office will consult with parents.

Selling Café Desserts to High School Students

The YHIS Café, The Pier, has recently started offering desserts, which were initially restricted to seniors and staff. However, with the agreement of the secondary PTO, the desserts will now be available to all high school students.
